Broad Jump: 62" Improvement of 2 inches

Total Correct Plyometric/ Dynamic Movements **Pre Test:** 299

Total Correct Plyometric/ Dynamic Movements **Post Test:** 435

Plyometric results showed an improvement of **45%** in foot speed.

Both feet 1 through 9 as fast as possible. **Post** 2.15 Improvement of .18 sec

Top Speed: 16 mph

We would like to congratulate Isla on a job well done and if there are any questions, please feel free to contact us at 513-474-4525.

Just a reminder of our In Season Maintenance program during the season. It is once a week during the season and incorporates the Plyometrics and Treadmill the same day. This helps them keep what they have learned and gained going through our program.

Sincerely,

Greg Tekulve
